<b>Code</b>	<b>Unit title</b>	<b>Type</b>
MSMBLIC002	Licence to Operate an Advanced Boiler	Unit of Competency

# Course Outline

## Licence to Operate an Advanced Boiler

Intakes and Timetable	Commencement	Completion	Weekly class times
	TBA	TBA	TBA
<b>Training Arrangements</b>	<p>Class sessions are planned to ensure that you have a mixture of practical and theoretical components and those classes cater for a wide variety of learning styles. Additionally, workplace practices and environments will be regularly simulated and used to conduct skills-based assessments in accordance with unit requirements.</p> <p>Homework may include reading or review from that day, and this is not expected to take longer than 1 hour per day on the two days of training.</p> <p>Students are provided with the following textbooks to support their learning (these are included in the course fees):</p> <ul style="list-style-type: none"> <li>• Steam Boiler Course Notes, Sixth Edition, D Brophy</li> <li>• Advanced Boiler Operator Study Guide, First Edition, D Brophy</li> </ul>		
<b>Additional Support</b>	<p>All students will complete a language literacy and numeracy assessment upon enrolment to determine their learning support needs. All students will be provided with a range of learning support options and resources to help you achieve competency. Where additional support needs have been identified an <i>Individual Support Plan</i> will be developed which may include:</p> <ul style="list-style-type: none"> <li>• Mentoring from trainers</li> <li>• Additional classes, tutorials and workshops</li> <li>• Computer and technology support</li> <li>• Referral to external support services</li> <li>• Reasonable adjustment to assessments as permitted by the mandated assessment tool.</li> </ul> <p>Provision of additional support services will be provided where necessary to enable students to participate in the same way as any other person regardless of whether support services have been required.</p>		
<b>Assessment Arrangements</b>	<p>Assessment will be conducted individually on the final day of your course. National mandated assessment instruments are used in the form of a practical assessment followed by a written assessment.</p> <p>You will be required to complete assessments in class. The written assessment is in closed-book conditions.</p> <p>You will be advised by your trainer and assessor about the assessment requirements during the course.</p>		
<b>Course Credit</b>	<p>O'Brien Boiler Services can grant you credit towards your course for units of competency that you have already completed with another RTO or authorised issuing organisation. We can also grant you Credit for subjects or units you have completed where equivalence can be established between the unit in your course, and the subject or unit you have completed.</p> <p>There is no charge to apply for Credit.</p> <p>To apply, fill in the Credit Application Form and submit it as part of your enrolment.</p> <p>*Please refer to your Student Handbook for more information on Course Credit.</p>		
<b>Recognition of Prior Learning (RPL)</b>	<p>Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.</p> <p>O'Brien Boiler Services has a process that has been structured to minimise the time and cost to applicants and provides a supportive approach to students wishing to take up this option. You will need to apply for RPL at the time of enrolment.</p> <p>During the entry process and interview stage O'Brien Boiler Services will discuss with you the process and options for RPL. Suitability is often determined on how much experience you have in a certain area, your work history and previous training. If RPL is determined as a possibility for you, you will be provided with documents that will guide you in working through the unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence. You will still need to complete the mandated assessment as this</p>

	<p>is a requirement of the course.</p> <p>A trainer/assessor will be available to assist you throughout this process.</p> <p>*Please refer to your Student Handbook for more information on RPL.</p>
<b>Costs</b>	<p><b>Total Course Fees from \$1450</b></p> <p><b>Payment Plan</b></p> <ul style="list-style-type: none"> <li>• Non-refundable enrolment deposit (prior to commencement): \$500</li> <li>• There will be an instalment of \$950 on commencement of training</li> </ul> <p><b>RPL Costs:</b></p> <ul style="list-style-type: none"> <li>• Application Fee - \$100</li> <li>• Charge per unit of competency - \$1,025</li> </ul> <p>Total course fees may be reduced to account for the number of units undertaken via RPL or where Course Credit has been granted.</p> <p>Nationally Recognised Training does not incur GST.</p> <p>Students will only be eligible to receive their statement of attainment if fees have been paid in full and all course requirements have been met.</p> <p>*Please refer to your Student Handbook for our Fees and Refunds Policy.</p>
<b>Inclusions</b>	<p>Unless otherwise specified, course fees include all the training and assessment as well as required resources and textbooks for students to achieve the qualification or course in which they are enrolling.</p> <p><b>Additional charges apply if students require:</b></p> <ul style="list-style-type: none"> <li>• Additional copies of a student's qualification/record of results and/or statement of attainment. A cost of \$50 per document plus the cost of postage if required</li> <li>• Additional copies of textbooks or any other learning and assessment. A fee of \$100 per textbook or \$20 per printed document applies if required.</li> <li>• Printing costs as may be required to complete assessments or homework activities, or if students require a copy of any records that O'Brien Boiler Services holds about them. O'Brien Boiler Services provides printing or copying for a cost of 20c per page, however students may use their own or other printing facilities.</li> <li>• Where a student fails to achieve a satisfactory outcome after three attempts at an assessment task, the student will need to re-enrol into the unit or units in question and will be charged a pro-rata course fee based on the number of units required to be undertaken. For this course the fee is \$1,570 per unit of competency.</li> </ul> <p><b>Other costs (not included) to be aware of:</b></p> <ul style="list-style-type: none"> <li>• Licencing costs with the relevant WorkSafe in your state are not included and are to be paid separately to the relevant WorkSafe in your state on application.</li> <li>• O'Brien Boiler Services cannot guarantee that students will successfully complete the course in which they enrol regardless of whether all fees due have been paid. Students who require additional training and re-assessment will be required to pay a fee for additional training and re-assessment. Please refer to our office to identify the re-assessment fee</li> </ul> <p><b>Items you need to bring to your course:</b></p> <p>You will need to bring (or wear) the following:</p> <ul style="list-style-type: none"> <li>• Closed in shoes</li> <li>• 100 points of Identification</li> <li>• 2 x passport photos.</li> </ul>
<b>Selection Process</b>	<p>You will be required to complete a language, literacy and numeracy (LLN) assessment prior to finalising your enrolment to ensure that the course is suitable for you and that O'Brien Boiler Services is able to meet your individual needs. The assessment includes a written test and interview to complete the verbal component of the test.</p> <p>If you do not achieve the required level in your LLN assessment O'Brien Boiler Services will (where possible) provide student support measures. Where this is not possible your enrolment application will not be accepted in this instance and you will be referred to an appropriate</p>
